MUSEUM PROFESSIONALS IN DIALOGUE VIII : The Museum aan de Stroom ANTWERPEN, OCTOBER 4, 2014

The International Association of History Museums is organising a visit and round table meeting for museum professionals to the **Museum aan de Stroom, Hanzestedenplaats 1, 2000 Antwerpen, Belgium**. All IAMH members are invited to participate. The information about the Museum you will find enclosed in the mail. The visit starts at 10.00 a.m. at the front desk of the Museum.

The MAS is the largest museum in Antwerp. It recounts powerful stories about Antwerp in the world and the world in Antwerp. Stories of the past, the present and the future.

The MAS is more than a museum. It is a building, 60 metres high, with museum rooms, a Visible Storage section, a vertical galleria, a panorama, a workshop, a two star restaurant, a museum café, a museum square and four pavilions

The MAS is a new icon. First-rate architecture and dynamic scenography in a vibrant new part of the city.

This visit is in continuation of the very successful previous such visits by our Association to the *House of Terror Museum* in Budapest (2005), to the *Museu d'Historia de Catalunya* in Barcelona (2007), to the *Musée International de la Réforme* in Geneva (2008), to the *STAM City Museum* in Ghent (2009), to the *Musées Gadagne* in Lyon (2010), to the *Historisches Museum Luzern* (2011) and to the *Basel Historical Museum* (2012).

The extraordinary and thereafter ordinary annual General Assembly of the IAMH will be held on the morning after our visit, on October 5th.

We present our gratitude to the Museum aan de Stroom for inviting us and for organising the event in cooperation with the Association.
